As the spies are returning home from a desert mission in the WOOHP van, they suddenly get four flat tires and start to skid out of control, crashing! Realizing this was no accident, they discover that a long, thought-to-be-missing astronaut who never returned from his space mission, actually crash landed in the desert but thinks he's on another planet. A planet inhabited by aliens! Now that he's caught the kids and brought them to his antiquated, but highly-fortified compound, he thinks because of their high-tech gear and gadgets they might be aliens. Thinking he'll dismantle their van and use its parts to escape the planet, the spies ultimately escape and bring the astronaut to his senses. In a b-story, Megan thinks she sees a UFO and goes to extreme lengths to prove that they exist – which obviously puts her at odd with the other spies!
- 7.00** Phineas & Ferb (Yr 2 / Ep 8 / Schoolkids)
The Flynn's neighbors have relatives visiting who bear an uncanny resemblance to Candace, Phineas and Ferb. In fact, older sister Mandy has two younger brothers, Thaddeus and Thor, who drive her crazy with their ambitious projects. Although Candace and Mandy initially bond, they soon compete, urging their brothers to build the best backyard fort. Meanwhile, Perry finds himself in the middle of Dr. Doofenshmirtz's family reunion where Dr. Doofenshmirtz tries to throw the annual kickball tournament via the Kick-inator. Phineas and Ferb set out to build a bigger plane than Howard Hughes' wooden 'Spruce Goose,' and to be environmentally conscious, they build it out of paper-mache, complete with in-flight service and entertainment. Dr. Doofenshmirtz is doing his part to be green by using recycled materials to build an "Evaporator-inator" to dry up all the pools in the Tri-State area. Meanwhile, Candace and Stacy attend Jeremy's pool party only to discover an adventurous Australian girl is capturing Jeremy's attention.

When their Aunt Trudi accidentally is exposed to a vial of liquid, she begins acting very strangely - she helps cook dinner and is a whiz with kitchen knives; she's mischievous with yarn (rope); and she has super vision with her souped-up glasses. That night, Jerry WOOHPs the kids and tells them that someone has raided WOOHP's gadget lab and the spies need to investigate. As they get on the case, mysteriously, one by one, the spies start to get abducted by an incredibly skilled counter-spy! What the spies discover is that Aunt Trudi, by accidentally inhaling the gas which was actually a top secret experimental "essence of counter-spy" liquid, has become an rouge mercenary bent of taking out the spies as only Trudi can. The spies escape and turn their normally docile aunt back to her harmless, nosey self in the end. In a b-story, Marc gets his hands on a WOOHP Magic Pyramid and makes everyone's lives miserable by forecasting the future.
- 7.00** Phineas & Ferb (Yr 2 / Ep 10 / Schoolkids)
When Phineas and Ferb think Perry is lost, they build a musical device to find him. Meanwhile, Candace, who fears she is at fault for Perry's disappearance, combs the Tri-State area to find him. As it turns out, Doofenshmirtz has been downgraded to a low-level threat and Perry has been reassigned to a more dangerous villain, and possibly, a new family. The family becomes marooned after a summer storm shipwrecks them on an island, and Phineas, Ferb and Isabella use the opportunity to build a Swiss Family style tree house. Meanwhile, Candace tries to get them to build a boat so she can get back in time for Jeremy's party. Dr. Doofenshmirtz is also on the island, using the free monkey labor to boost a new business.
- 7.30** Pair Of Kings (Yr 1 / Ep 19 / Schoolkids)
Boomer and Brady discover Vault 14, a secret vault which protects Kinkow's most mysterious and powerful artifacts including Duplicatus Plantus, a plant that copies anything it touches. The kings make clones of themselves and while they go surfing, they send their doubles to the Kalooki Island Peace Summit. Filling in for the brothers, the clones impress Mikayla, the island dignitaries and the other Kinkowians with their intelligence, hygiene, and professionalism. However, when Brady and Boomer overhear the clones' ultimate plan to takeover, the kings must figure out how to get rid of their doubles and take back their kingdom.
